I _____, agree to all of the terms written below for the privilege of driving a family-owned vehicle. I agree to give up any driving privileges if I do not follow these terms.

1. I will be a safe driver by being aware of and following posted speed limits and obey all traffic laws. I will always come to a complete stop at stop signs, yield to pedestrians, and use turn signals properly.
2. My parents will know where I am driving, when I will be home, and if I will be late coming home.
3. I will not have more than _____ passengers in my car. They must be wearing a seatbelt, or I will not drive. For the first six months of my driving experience, I will only drive with adult supervision, as required by state law, and will not drive friends unless an adult is present.
4. I will never drink and drive. I will never use illegal drugs and drive, nor will liquor or drugs be in the car at any time. I will not allow anyone who has been drinking or using illegal drugs in my car.
5. If I were to get a traffic ticket, I will pay for the ticket, as well as the price increases on the insurance premium as long as the higher premium is in effect.
6. Should I be involved in an accident, I will pay for damages that I incur that aren't covered by insurance, including any deductibles.
7. I will keep the car clean, and pay for gas and maintenance.
8. I will not make calls or text message on my cell phone while driving. I will pull over to a safe place to answer any calls or texts. I will set my phone to "Do Not Disturb" mode while driving to prevent distractions.
9. I understand that I must ask for permission before using the family vehicle and will not assume that it is available to me without prior approval.

Consequences: Failure to follow these rules will result in the loss of driving privileges for a period of _____ days/weeks.

Thank you for giving me the privilege of driving. I appreciate the confidence you have in me. I have read the above agreement and agree to follow these rules.
